ORIGINAL

1 I, MICHAEL F. PHILLIPS, declare as follows:

2
3 1. I am counsel of record for Petitioner, JULIE BABAUTA SANTOS, and Class
4 Counsel in the above-entitled matter;

5 2. I make this declaration based on personal knowledge, and I am prepared and
6 able to testify to all matters contained herein;

7 3. Pursuant to the Court's October 15, 2007 Order, I have reconstructed a portion of
8 the time spent by myself and the firm's other attorneys on this case;

9 4. For the most part, I am not able to reconstruct conversations among parties'
10 counsel nor meetings and discussions with attorneys within my firm. Likewise, it is not
11 practical to reconstruct the hundreds if not thousands of additional hours our firm spent over
12 these many years researching and compiling information and authority, reviewing
13 correspondence, and to a large extent preparing for trial and then motion hearings. I have
14 made my best effort to calculate the minimum amount of work performed on documents
15 consisting of thousands of pages from when my firm first started to prepare to file a lawsuit in
16 the mid-1990s. I have not billed for the time spent preparing this billing;

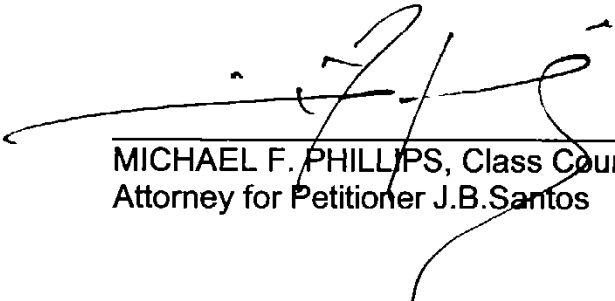

17 5. As stated above, although I did not develop contemporaneous billing statements
18 throughout this litigation, the hours attributed to each area of work are what I believe to reflect
19 the minimum amount of work performed. In many cases my firm worked much longer than
20 indicated, and in many instances I have not indicated a particular type of work performed
21 because it may not be recorded or result in a document filed in court;

22 6. At all times herein, when I did bill clients for work performed I did so at the rate of
23 Two Hundred and Fifty Dollars (\$250) per hour. My associates have, for the most part,
24 maintained billing rates of One Hundred and Fifty Dollars (\$150) per hour. At times Attorney

1 Ricardo Bordallo billed at the rate of One Hundred and Seventy-Five Dollars (\$175) per hour,
2 although for purposes of the reconstruction of this billing we have used Mr. Bordallo's lower
3 billing rate.

5 Further your affiant sayeth naught.

6 Respectfully submitted this 30th day of October, 2007.

VI. In November of 2003, Phillips & Bordallo committed one of its two Attorneys to work full time on commencing an EITC action in District Court. Attorney Ricardo Bordallo worked exclusively on only the EITC case, while Attorney Michael Phillips worked on the EITC project and any other cases necessary or pending. Except for a 45 day period in April/May of 2004, Attorney Bordallo worked full time and exclusively on the EITC case from November of 2003 through December of 2005. Attorney Phillips worked primarily on EITC during this period but also handled other matters/cases.

November 2003 – March 2005 (17 months). Michael Phillips and Ricardo Bordallo performed combined work hours averaging between a minimum of 160 and maximum of 320 hours per month. From November of 2003 through February of 2004, the firm thoroughly researched all necessary issues and applicable law (most especially available remedies and procedures) with both attorneys working full-time on this matter. In February the firm filed the Complaint in District Court, secured an expedited trial schedule, drafted its motion for summary judgment, began preparation for trial, until the parties settled in early June, 2004. Between June of 2004 and November of 2004 Phillips & Bordallo carried out the terms of the first settlement, defended against intervention motions, and pursued the implementation of the first settlement. In November of 2004, the Governor entered a separate appearance and moved to set aside the parties' Settlement Agreement. From November of 2004 until March of 2005, Phillips and Bordallo researched all issues raised by the Governor and prepared responses to each of the Governor's defenses and arguments. The firm also prepared for the hearing on motions, including dispositive motions, scheduled for March of 2005. The work above is evidenced in part by the following filings with the District Court and related documentation, along with counsel's best recollection and reconstruction of the number of hours associated with each project and time period.
